

GOODGAME AND AMAZON PRIME TEAM UP TO OFFER FREE AND EXCLUSIVE CONTENT FOR PRIME MEMBERS IN BIG

Hamburg, June 8, 2020 - Goodgame Studios is collaborating with Amazon Prime to provide free content for Prime members in Goodgame's Big Farm: Mobile Harvest.

As of June 15, 2020, Prime members will have access to free content including time reductions, power ups and exclusive profile pictures. This content can be claimed through a valid Amazon account. This promotion will offer regular in-game content drops for Prime members and is expected to run for a period of six months.

"We are delighted to offer this exclusive content in Big Farm: Mobile Harvest to both existing and new players with an Amazon Prime membership" said Simon Andrews, Head of the studio developing the game.

"Through this collaboration with Amazon, we will, over the course of the coming months offer exciting content across all our mobile platforms that we hope will bring joy and delight to players, while also helping them to progress".

Big Farm is enjoyed by over 80 million registered players worldwide.

ABOUT GOODGAME STUDIOS

Goodgame Studios is a leading developer and publisher of gaming software, specializing in the free-to-play segment. Its focus is on mobile and browser games. The company offers games in 26 languages and has over 400 million registered users worldwide. Empire: Four Kingdoms – the world's all-time highest grossing app produced by a German company – is part of Goodgame Studios' portfolio. The games developer was founded in Hamburg in 2009. Apart from the head office in Germany, the company has a subsidiary in Tokyo. Since January 2018, Goodgame Studios is part of Stillfront Group, a leading free-to-play powerhouse of gaming studios.
