

GOODGAME STUDIOS EXTENDS 'BIG FARM' BRAND WITH NEW MATCH 3 TITLE 'BIG FARM: HOME & GARDEN'

Hamburg, December 21, 2020 - After reaching the impressive milestone of 500 million registered players, Goodgame Studios is proud to announce its next big news with the pre-release of 'Big Farm: Home & Garden', a delightful country life design and decorating game, incorporating the highly popular match 3 puzzle challenges.

The game extends Goodgame's successful 'Big Farm' brand, which to date has attracted over 92 million players worldwide. 'Big Farm: Home & Garden' offers a completely new and complementary game approach compared to the other games in the portfolio; 'Big Farm' and 'Big Farm: Mobile Harvest'. 'Big Farm: Home & Garden' is now available for pre-registration on Google Play in advance of global release.

In 'Big Farm: Home & Garden', players can exercise their creative skills by renovating, furnishing and decorating various farm and house areas, like the barn, the chicken coop and the herbal garden within a lovely, complimentary art environment. Hundreds

of design options give maximum freedom to explore creativity. The player can also experience a new twist on match 3 by unlocking cute playable animal characters on the puzzle board, helping them to complete levels and unlock new areas. Lovers of 'Big Farm' will also feel at home, meeting and helping old friends from the 'Big Farm' universe.

"We are excited to launch our first home decoration and match 3 game within the 'Big Farm' family," says Simon Andrews, who heads the studio responsible for the game. "'Big Farm: Home & Garden' will complement our highly successful 'Big Farm' and 'Big Farm: Mobile Harvest' games, giving our players new experiences to enjoy and explore. From the beautiful art style to the very unique match 3 game features, 'Big Farm: Home & Garden' offers a compelling and fresh approach to this popular genre".

'Big Farm: Home & Garden' is available in selected markets on Google Play and in the App Store. All other Android players have the option to pre-register on the Google Play Store.
